**SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT**

Mail Stop Amendment  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

In accordance with the duty of candor and good faith imposed by 37 CFR §1.56 and means of complying therewith according to 37 CFR §§1.97 and 1.98, the references listed on the attached PTO-1449 is called to the attention of the United States Patent and Trademark Office in connection with the above-identified patent application. Because the requirement [37 C.F.R. §1.98(a)(2)(i)] for submitting copies of

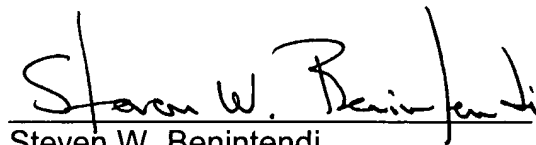

U.S. patents and published applications has been waived, a copy of only the other document is enclosed herewith.

Even though a Notice of Allowance in this application has issued, it is requested that this Supplemental Information Disclosure Statement be placed in the file of the above-identified patent application. The cited references were not earlier made of record in this application because they were only recently (within the past three months) identified to Applicants in an Office Action in a related case. Applicants wish to make the cited references of record, but it is submitted that the cited references individually or in combination do not disclose nor render obvious the subject matter allowed in the present application. The Examiner is urged to consider the cited references and to make an independent decision with respect to its materiality.

Applicants believe that no fee is due. If this is not the case, the Commissioner is authorized to charge deposit account 23-3000 for any required fees.

Respectfully submitted,

WOOD, HERRON & EVANS, L.L.P.
